5. Silence screens are put in place, Playing go at Pisa.  
They should make a peaceful space, Playing go at Pisa.  
Organisers thought they'd try it,  
Past those screens all should be quiet,  
Sounds more like a minor riot, Playing go at Pisa.

6. Soon this congress will be ended Playing go at Pisa.  
Hasn't everything been splendid? Playing go at Pisa.  
Abano we'll not forget,  
Then Frascati; better yet;  
Pisa's good as you will get. Thank you, folks at Pisa.
